I. WHO WE ARE

Our Story

Formed by Harry Blech in 1949, London Mozart Players is the longest established Chamber Orchestra in the UK. Our work combines local impact with global reach, with our music being enjoyed by audiences all over the world through our international tours and digital content, as well as playing over 150 concerts and performances per year in and around the UK.

We are as active in our community as we are in concert halls, and have an extensive outreach and education programme which sees us working with children and young people, as well as the elderly, marginalised and vulnerable.

London Mozart Players' new approach to classical music through visual art and explaining the pieces beforehand all help to contribute towards a new excitement for live music.

II. JOB DESCRIPTION

The reason for this role

Whether performing for royalty at Buckingham Palace, a local school, church or library, the Concerts & Orchestra Manager role is vital to the effective delivery of all our concerts and events which take place each year. As well as being a creative role with some opportunities to contribute to our artistic planning, this role is key in helping us uphold the standard of excellence and reputation for vibrancy that LMP is known for.

MAIN PURPOSE OF THE ROLE

Reporting to the Head of Artistic Planning and Chief Executive, the Concerts & Orchestra Manager will be responsible for project managing all practical and operational aspects of the orchestra's performances. Working closely with the Head of Artistic Planning, Orchestra Fixer (freelance) and Librarian (freelance) you will manage the administration of all orchestral activity, helping to support the effective planning and running of the orchestra's busy schedule.

STANDARD HOURS & WORKING PATTERN

Our standard office hours are from 10am – 6pm Monday to Friday, but as many of our concerts take place during evenings and weekends you will often be required to work outside of these times. Where this is needed, you'll be given the chance to take TOIL.

SPECIFIC DUTIES AND RESPONSIBILITIES

Orchestra Management & Artist Liaison

- Work collaboratively with the Orchestra Fixer to ensure players are booked in line with programming requirements
- Act as first point of call for LMP Orchestra members' questions, concerns and feedback
- Ensure concert programming and booking arrangements adhere to MU / ABO guidelines (e.g., sufficient breaks for musicians, appropriate fees)
- Deal with enquiries from promoters and venues in a timely and professional manner
- Support the Head of Artistic Planning to maintain good working relationships with artists, venues and promoters

Concert Management & Operations

- Prepare and circulate concert and rehearsal schedules in advance of each event
- Coordinate transportation of music, equipment and materials to and from venues
- Lead on stage management, set up and set down before and after events
- Liaise with the Marketing & Events Coordinator to establish on-the-day box office and front of house arrangements at concerts
- Research venues, carrying out reces where necessary
- Carry out health and safety and risk assessments and ensure that necessary health and safety equipment is available
- Ensure appropriate facilities are available for musicians and soloists (e.g. dressing rooms, catering facilities)
- Schedule event days to ensure smooth running for all involved
- Where necessary, prepare materials for concerts, including preparing music for players (marking up parts, putting copies into folders, creating extra parts)
- Assist with tour planning, including booking flights, collecting passport information and completing visa applications

- Work with the Marketing & Events Coordinator to ensure consistent recording of audience data

Finance & Office Administration

- Create accurate quotes and costings for promoters and external partners
- Maintain accurate records of our concerts and engagements pipeline
